Why buy books from Road Tunes Media?

Sharon and I started Road Tunes Media in the 1980s in Homer. To date, we have only sold products that we authored and/or created. We totally believe in the quality of our products. We do our best to provide the best pricing, shipping and timeliness of each order. All of our titles are delivered free of charge using media mail.

Our newest book, "The Spill" was published by Epicenter Press. For that reason we can discount at 40% to book sellers. Except for "The Spill" all of our titles are discounted at 50% with free s/h to Alaskan book sellers and 15% to Alaskan libraries.

We send our invoice along with each shipment of books and accept orders by E-mail (preferred) or by phone. We are generating new titles each year and want you to know how much we appreciate doing business with you.

Sincerely,

John & Sharon Bushell
